Arkema files its 2010 reference document

Arkema announces that it released its 2010 reference document, filed with the French *Autorité des marchés financiers (AMF)* on March 31, 2011.

This document is available under the heading Investor Relations in section Publications of the Group's website under the following link www.finance.arkema.com.

The following documents are included in the reference document:

- the 2010 annual financial report,
- the report of the Chairman of the Board of Directors on the conditions for preparing and organizing the Board of Directors' activities and the internal control and risk management procedures,
- the information published or made public over the last twelve months,
- the description of the share buy-back program proposed to the Combined Annual General Meeting on 24 May 2011,
- details of the fees paid to the statutory auditors.

*A global company and France's leading chemicals producer, Arkema is building the future of the chemical industry every day. Deploying a responsible, innovation-based approach, we produce state-of-the-art specialty chemicals that provide customers with practical solutions to such challenges as climate change, access to drinking water, the future of energy, fossil fuel preservation and the need for lighter materials. With operations in more than 40 countries, 14,000 employees and 8 research centers, Arkema generated annual revenue of €5.9 billion in 2010, and holds leadership positions in all its markets with a portfolio of internationally recognized brands. **The world is our Inspiration.***
