## **PRESS RELEASE**

### **Press Release from Anne Lauvergeon**

**Paris, June 17, 2011**

Anne Lauvergeon has taken note of the decision of the President of the French Republic, of which she was informed yesterday evening by the Prime Minister.

She is extremely touched by the messages of support she has received since.

She will not be making any statement for the time being.

She asks everyone at AREVA to continue working towards the development of the group and hopes that the transition will take place in the best possible conditions.

#### **MORE ABOUT**

---

AREVA supplies solutions for power generation with less carbon. Its expertise and unwavering insistence on safety, security, transparency and ethics are setting the standard, and its responsible development is anchored in a process of continuous improvement.

Ranked first in the global nuclear power industry, AREVA's unique integrated offering to utilities covers every stage of the fuel cycle, nuclear reactor design and construction, and related services. The group is also expanding in renewable energies – wind, solar, bioenergies, hydrogen and storage – to be one of the top three in this sector worldwide in 2012.

With these two major offers, AREVA's 48,000 employees are helping to supply ever safer, cleaner and more economical energy to the greatest number of people.
