Arkema files its 2011 half-year financial report

Arkema announces that it released its 2011 half-year financial report in accordance with applicable laws and regulations.

This document is available under the heading Investor Relations of the Group's website (www.finance.arkema.com) and was filed with the French *Autorité des marchés financiers* (AMF).

*A global chemical company and France's leading chemicals producer, Arkema is building the future of the chemical industry every day. Deploying a responsible, innovation-based approach, we produce state-of-the-art specialty chemicals that provide customers with practical solutions to such challenges as climate change, access to drinking water, the future of energy, fossil fuel preservation and the need for lighter materials. With operations in more than 40 countries, 14,000 employees and 8 research centers, Arkema generates annual revenue of around €5.9 billion and holds leadership positions in all its markets with a portfolio of internationally recognized brands. **The world is our inspiration..***
