

Foncière Paris France

PRESS RELEASE - FOR IMMEDIATE PUBLICATION

PARIS - 5 SEPTEMBER 2011

Foncière Paris France has stated that the merger with Foncière des Régions announced on 27 July cannot be carried out in light of current market conditions and has thus been abandoned.

The sharp drop in stock market prices during August has impacted the value of the financial instruments that were to be exchanged to such an extent that the exchange ratio agreed upon by the parties at end July is no longer appropriate.

Given these conditions, the management of Foncière Paris France has determined that the transaction cannot be carried out at present although the business project is still relevant.

Foncière Paris France reaffirms that its 2011 revenue and earnings objectives are unchanged.
