

XIRING announces its participation in MILIPOL Paris 2011

Suresnes, France, October 13, 2011 – XIRING, a security solutions provider for electronic transactions, will participate in the 2011 edition of MILIPOL Paris, the worldwide exhibition of internal State security.

Since its creation in 1984, MILIPOL Paris has been a major event for professionals in the field of internal State security. Always evolving, MILIPOL Paris is the technological window into state-of-the-art products and services for public and industry security worldwide.

XIRING will present three categories of solutions in its space located at booth 3E 057:

- On the move checking solutions for secure identity documents (national e-ID cards, biometric passports, etc.) aimed at the police, customs officials and border guards;
- desktop card terminals for counters and offices;
- solutions securing access to workstations, in particular those equipping the French *Gendarmerie Nationale's* 90,000 workstations.

XIRING welcomes visitors to its stand (3E 057)

in Hall 1 - Porte de Versailles - 75015 Paris

October 18-21 from 9 am to 6 pm (closes at 4 pm on Friday)

About XIRING

XIRING, a security solutions provider for electronic transactions, develops security software embedded in smart card readers and terminals for strong authentication and electronic signatures. XIRING is the market leader in SESAM-Vitale healthcare terminals for generating and signing electronic medical claim forms or for updating healthcare cards in France and also works alongside authorities in the field of healthcare system dematerialization in international markets. In the area of electronic identity (e-ID), XIRING proposes a broad range of solutions for public authority staff and citizens to meet the latest market challenges with secure electronic identity document systems: electronic national identity cards, electronic passports, public transport cards and professional cards. XIRING is listed on the Alternext compartment of the NYSE-Euronext Paris stock exchange. For further information: www.xiring.com
