

PRESS RELEASE

100,000 XIRING smartcard readers ordered by Moneo Payment Solutions

Suresnes, France, November 30, 2011 – XIRING, a security solutions provider for electronic transactions, won the call for tenders issued by Moneo Payment Solutions.

Known for its e-purse, **Moneo Payment Solutions** also offers many other applications that make it the **leader in multiservice cards** (Student, Company and City cards). It is in this context that Moneo Payment Solutions entered into an exclusive contract with XIRING for the supply of 100,000 Liteo smartcard readers over a term of one year.

This order confirms the longstanding partnership between Moneo Payment Solutions and XIRING.

These 100,000 readers will allow Moneo Payment Solutions' clients and partners to carry out **online recharging and purchases transactions** with their Moneo card. *"We would like to offer our clients the possibility of recharging their Moneo card from anywhere they have Internet access. We also intend to facilitate making anonymous payments over the Internet"* specifies Serge Ragozin, CEO of Moneo Payment Solutions.

Georges LIBERMAN, Chairman and CEO of XIRING, adds, *"We are happy to be helping Moneo Payment Solutions with its new direction for MONEO's success. As a major player in the field of multiservice cards, Moneo Payment Solutions is a natural partner for XIRING."*

About XIRING

XIRING, a security solutions provider for electronic transactions, develops security software embedded in smart card readers and terminals for strong authentication and electronic signatures. XIRING is the market leader in SESAM-Vitale healthcare terminals for generating and signing electronic medical claim forms or for updating healthcare cards in France and also works alongside authorities in the field of healthcare system dematerialization in international markets. In the area of electronic identity (e-ID), XIRING proposes a broad range of solutions for public authority staff and citizens to meet the latest market challenges with secure electronic identity document systems: electronic national identity cards, electronic passports, public transport cards and professional cards. XIRING is listed on the Alternext compartment of the NYSE-Euronext Paris stock exchange. **For further information:** www.xiring.com
