Press release

Paris, December 7, 2011

Offering by Technip of bonds convertible into and/or exchangeable for new or existing shares (OCEANE), due January 1, 2017, for approximately €450 million, which may be increased to approximately €500 million

Granting of the AMF visa

Today, Technip ("Technip" or the "Company") launched an offering of bonds convertible into and/or exchangeable for new or existing shares (OCEANE) due January 1, 2017 (the "Bonds") for approximately €450 million. This amount may be increased up to approximately €500 million if the Joint Lead Managers and Joint Bookrunners exercise in full the 11.11% over-allotment option on behalf of the Underwriters, which must occur no later than December 13, 2011.

The net proceeds of the issue of the Bonds will be used to partially replenish the Group's cash balances following the cash payment of US \$935 million as the acquisition price of Global Industries, Ltd. ("Global").

The par value of the Bonds has been set at €96.09, including a conversion premium of 35% over Technip's share reference price on the regulated market of NYSE Euronext in Paris ("Euronext Paris")¹ of €71.18.

The Bonds will bear interest at an annual rate of 0.25% payable annually in arrears on January 31 of each year (or on the following business day if that date is not a business day), i.e., approximately €0.24 per year and per Bond. The first coupon payment on January 31, 2012 will amount to approximately €0.03 per Bond.

The issue date and the settlement and delivery date of the Bonds is expected to be December 15, 2011. The Bonds will be redeemed at par on January 1, 2017. The Bonds will be convertible into or exchangeable for new and/or existing Technip shares, at the ratio of one share per Bond, subject to possible future anti-dilution adjustments. The Bonds may be redeemed early at Technip's option under certain conditions.

The *Autorité des marchés financiers* (the "AMF") granted visa No. 11-562 dated December 7, 2011 on the prospectus. The subscription period in France shall be open from December 8, 2011 to December 12, 2011.

¹ The reference price equals the volume-weighted average of Technip's shares on Euronext Paris from the opening of trading on December 7, 2011 until the final terms of the Bonds were determined.

This offering is led by Barclays Capital, Citigroup Global Markets Limited, Crédit Agricole Corporate and Investment Bank, HSBC France and The Royal Bank of Scotland, Joint Lead Managers and Joint Bookrunners. BBVA, CM-CIC, DNB Markets, Lazard-NATIXIS, SMBC Nikko are acting as Co-Lead Managers.

This press release does not constitute an offer to subscribe for the Bonds. There shall be no public offer of the Bonds in any country other than France, which public offer shall be carried out in accordance with the terms specified below.

This press release is not a prospectus which has been approved by the Financial Services Authority or any other United Kingdom regulatory authority for the purposes of Section 85 of the Financial Services and Markets Act 2000.

The offering of the Bonds has not been registered with or cleared by the Commissione Nazionale per le Società e la Borsa (“CONSOB”) pursuant to the Prospectus Directive (Directive 2003/71/EC) and the Italian securities regulation and, accordingly, the Bonds have not been and will not be offered, sold or distributed in the Republic of Italy (“Italy”) in an offer to the public of financial products under the meaning of Article 1, paragraph 1, letter t) of Legislative Decree No. 58 of February 24, 1998 as amended (the “Financial Services Act”) nor may copies of any document relating to the offering of the Bonds be distributed unless an exception applies. Therefore, the Bonds may only be offered, transferred or delivered within the territory of Italy:

- (a) *to qualified investors (investitori qualificati), as defined in Article 34-ter of CONSOB Regulation No. 11971 of May 14, 1999, as amended (the “Issuers Regulation”); or*

Article 100-bis of the Financial Services Act affects the transferability of the Bonds in Italy to the extent that any placing of the Bonds is made solely with qualified investors and such Bonds are then systematically resold to non-qualified investors on the secondary market at any time in the 12 months following such placing. Should this occur without the publication of a prospectus, and outside of the application of one of the exemptions referred to above, purchasers of Bonds who are acting outside of the course of their business or profession are entitled to have such purchase declared void and to claim damages from any authorized intermediary at whose premises the Bonds were purchased.
