#### About ESI

[ESI](#) is a pioneer and world-leading player in virtual prototyping that take into account the physics of materials. [ESI](#) has developed an extensive suite of coherent, industry-oriented applications to realistically simulate a product's behaviour during testing, to fine-tune manufacturing processes in accordance with desired product performance, and to evaluate the environment's impact on product performance. This offer represents a unique collaborative and open environment for Simulation-Based Design, enabling virtual prototypes to be improved in a continuous and collaborative manner while eliminating the need for physical prototypes during product development. Present in over 30 countries, [ESI](#) employs some 850 high-level specialists throughout its worldwide network. ESI Group is listed on compartment C of NYSE Euronext Paris.
