

PRESS RELEASE

Marcy l'Etoile, France - December 14, 2011 - At the request of the French "Autorité des Marchés Financiers", bioMérieux, a world leader in the field of *in vitro* diagnostics, completes the information in its December 7th press release on its 2011 sales objective, specifying that it has not changed the 2011 objective for operating income before non-recurring items that was previously announced.

The above forward-looking statements are based, entirely or partially, on assessments or judgments that may change or be modified, due to uncertainties and risks related to the Company's economic, financial, regulatory and competitive environment, notably those described in the 2010 Registration Document. Accordingly, the Company cannot give any assurance nor make any representation as to whether the above objectives will be met. The Company does not undertake to update or otherwise revise any forecasts or objectives presented herein, except in compliance with the disclosure obligations applicable to companies whose shares are listed on a stock exchange.

ABOUT BIOMERIEUX

Advancing Diagnostics to Improve Public Health

A world leader in the field of *in vitro* diagnostics for over 45 years, bioMérieux is present in more than 150 countries through 39 subsidiaries and a large network of distributors. In 2010, revenues reached €1.357 billion with 87% of sales outside of France.

bioMérieux provides diagnostic solutions (reagents, instruments, software) which determine the source of disease and contamination to improve patient health and ensure consumer safety. Its products are used for diagnosing infectious diseases and providing high medical value results for cancer screening and monitoring and cardiovascular emergencies. They are also used for detecting microorganisms in agri-food, pharmaceutical and cosmetic products.

bioMérieux is listed on the NYSE Euronext Paris market (Symbol: BIM - ISIN: FR0010096479). Other information can be found at www.biomerieux.com.
