Based on the terms of the Caustic Soda Supply Agreement, the Aluminium Semi-finished Products Supply Agreement and the Previously Disclosed Raw Materials Purchase Agreements, the annual aggregate transaction amount that is payable by the Group to the associates of Mr. Vekselberg and SUAL Partners for the financial year ending 31 December 2012 is estimated to be up to approximately USD109.54 million.

This annual aggregate transaction amount is estimated by the Directors based on the amount of raw materials to be supplied and their contract price for the purpose of the Group's production.

REASONS FOR AND BENEFITS OF THE TRANSACTIONS

The Directors consider that the transactions contemplated under the Caustic Soda Supply Agreement and the Aluminium Semi-finished Products Supply Agreement are for the benefit of the Company, as Khimprom and KUMZ, supply the raw materials of good quality and at a competitive price. The consideration payable under the Caustic Soda Supply Agreement and the Aluminium Semi-finished Products Supply Agreement has been determined with reference to the market price and on terms no less favourable than those prevailing in the Russian market for raw materials of the same type and quality as those offered by the associates of Mr. Vekselberg to independent third parties.

The Directors (including the independent non-executive Directors) consider that the Caustic Soda Supply Agreement and the Aluminium Semi-finished Products Supply Agreement have been negotiated on an arm's length basis and on normal commercial terms which are fair and reasonable and the transactions contemplated under the Caustic Soda Supply Agreement and the Aluminium Semi-finished Products Supply Agreement are in the ordinary and usual course of business of the Group and in the interests of the Company and its shareholders as a whole.

None of the Directors has a material interest in the transactions contemplated by the Caustic Soda Supply Agreement and the Aluminium Semi-finished Products Supply Agreement, save for Mr. Vekselberg, who is indirectly interested in Khimprom and KUMZ. Accordingly, Mr. Vekselberg had abstained from voting on the Board resolutions to approve the Caustic Soda Supply Agreement and the Aluminium Semi-finished Products Supply Agreement.

The estimated annual aggregate transaction amount of the continuing connected transactions under the Caustic Soda Supply Agreement, the Aluminium Semi-finished Products Supply Agreement and the Previously Disclosed Raw Materials Purchase Agreements for the financial year ending 31 December 2012 is more than 0.1% but less than 5% under the applicable percentage ratios (other than the profits ratio).
