

Acquisition of Cello Pens

BIC obtains a favourable award related to the full completion of the agreements

BIC Group received today a favourable award from the Tribunal constituted under the Rules of the Singapore International Arbitration Center in respect of acquisition of 40% shares in the 7th and last entity Cello Pens & Stationery (CPS) as per the definitive agreements signed on January 21, 2009 with the Cello Group. BIC now intends to proceed with the share purchase in CPS.

Historical background:

- On January 21, 2009, BIC signed a definitive agreement with Indian Cello Group whereby BIC Group was to acquire 40% of the Cello writing instrument business which was being carried out by 7 entities for 7.9 billion Indian rupees. As part of the agreement, BIC benefits from a call option in 2013 to increase its stake to 55% at a price based on a formula tied to earnings.
- On March 5, 2009 BIC's acquisition of 40% of 6 entities (out of 7) was completed for a sum of 3.8 billion Indian rupees. This proportionate share of Cello Pens net income has been accounted through the equity method in BIC Group accounts since April 1, 2009.
- On January 4, 2010, Cello management proposed to the BIC Group to unwind and terminate the definitive agreements signed on January 21, 2009 "on terms and conditions to be mutually agreed between the parties." BIC Group then confirmed its intention to ensure the implementation of the agreements.
- On August 4, 2010, BIC Group announced that it had initiated arbitration proceedings in order to obtain the full completion of the agreements, meaning the acquisition of 40% of the 7th and last entity, namely CPS.
