

Press release

Paris, February 21, 2012

Repurchase of 1,309,625 2013 OCEANE at a unitary price of € 86

(ISIN: FR0010354670)

Concurrently with the private placement of the bonds convertible into and/or exchangeable for new or existing shares due January 1, 2019 (the "2019 OCEANE") to institutional investors launched today, the Company has solicited through a reverse bookbuilding process conducted by the Joint Bookrunners and Joint Lead Managers outside the United States and independently of the bookbuilding process relating to the Bonds, indications of interest to sell from certain holders of the OCEANE due January 1, 2013 (the "2013 OCEANE") representing approximately 34.5% of the 2013 OCEANE initially issued, for a total amount of approximately € 112.6 million. The price offered by the Company is equal to the 2013 OCEANE early redemption price¹ (including the redemption premium) increased by a premium of 2.4%, i.e. € 2.

At the close of business on Euronext Paris on the business day following the settlement date of the Bonds (i.e. on March 1st, 2012 according to the indicative timetable) and subject to such settlement having occurred, the Company will repurchase in an off-market transaction the 2013 OCEANE included in the reverse bookbuilding order book. The 2013 OCEANE purchased in the off-market repurchase will be cancelled in accordance with the law and their terms of issuance.

Upon completion of the repurchase of the 2013 OCEANE collected through the reverse bookbuilding process, 2,484,412 2013 OCEANE will remain outstanding, representing 65.5% of the 2013 OCEANE issued.

As the number of 2013 OCEANE repurchased through the reverse bookbuilding process represents more than 20 % of the number of 2013 OCEANE initially issued, the Company will, in the interest of treating all 2013 OCEANE holders equally, place a standing order on the market in France to purchase all outstanding 2013 OCEANE at the off-market repurchase

¹ The early redemption price will be determined so that such price increased by the interest accrued since the last interest payment date until the anticipated early redemption date, and, taking into account any interest already paid, ensures, as of the date of early redemption, a gross yield to maturity equal to 3.75% per year

Not for distribution directly or indirectly in the United States, Canada, Australia or Japan

price of the 2013 OCEANE, i.e. € 86 per Bond, and will keep such offer open for five consecutive trading days starting the day after the settlement date of the off-market repurchase of the 2013 OCEANE, i.e. according to the indicative timetable from March 2, 2012 to March 8, 2012, inclusive.

The repurchase of the 2013 OCEANE is led by HSBC and Société Générale Corporate & Investment Banking acting as Joint Lead-Managers and Joint Bookrunners.
