

## Press release

### **Lafuma announces a bond issue subscribed to by the Micado France 2018 mutual fund, which is managed by Portzamparc Gestion**

Lafuma SA will launch, on October 5, 2012, a €4,000,000 bond issue to be subscribed to by the Micado France 2018 mutual fund. These bonds will bear interest at a fixed rate of 6.50% and will be reimbursable at maturity on October 2, 2018. They will be listed on the NYSE Alternext market.

A circular concerning this operation is available on the issuer's website ([www.groupe-lafuma.fr](http://www.groupe-lafuma.fr)) and the NYSE Alternext website ([www.alternext.com](http://www.alternext.com)).

The proceeds of this bond issue will be devoted to the issuer's general corporate purposes.

This bond issue is part of the Micado France 2018 project, a contractual fund invested in non-rated bonds initiated by Accola, Middledenext and Investeam to enable French midcaps to access the bond market.

Lafuma was assisted in this issue by Kepler Capital Markets advised by FIDAL.
