

Presentation of Gemalto's new multi-year development plan

Amsterdam, June 4, 2013 - Gemalto (Euronext NL 0000400653 GTO), the world leader in digital security, is pleased to announce that its new strategic development plan and business objectives will be presented on September 5th, 2013.

The plan will be released after the closing of the Euronext Amsterdam market and the associated presentation will be made available on the investors section of Gemalto's website at <http://www.gemalto.com/investors>.

An investor conference, held in New York City, will immediately follow the announcement and will be accessible through a live webcast. Detailed information about the conference will be made available on Gemalto's website in the coming weeks.

About Gemalto

Gemalto (Euronext NL0000400653 GTO) is the world leader in digital security with 2012 annual revenues of €2.2 billion and more than 10,000 employees operating out of 83 offices and 13 Research & Development centers, located in 43 countries.

We are at the heart of the rapidly evolving digital society. Billions of people worldwide increasingly want the freedom to communicate, travel, shop, bank, entertain and work – anytime, everywhere – in ways that are enjoyable and safe. Gemalto delivers on their expanding needs for personal mobile services, payment security, authenticated cloud access, identity and privacy protection, eHealthcare and eGovernment efficiency, convenient ticketing and dependable machine-to-machine (M2M) applications. We develop secure embedded software and secure products which we design and personalize. Our platforms and services manage these products, the confidential data they contain and the trusted end-user services made possible.

Our innovations enable our clients to offer trusted and convenient digital services to billions of individuals. Gemalto thrives with the growing number of people using its solutions to interact with the digital and wireless world.
