The Company announces that on 30 September 2013, RUS-Engineering LLC, being a member of the Group, and KraMZ-Auto, being an associate of En+ and Mr. Deripaska, entered into a transportation contract (in addition to the transportation contract between the same parties dated 31 December 2012 as disclosed in the Company's announcement dated 28 December 2012), pursuant to which KraMZ-Auto agreed to provide transportation services to RUS-Engineering LLC at the estimated consideration of approximately USD12,656 for the year ending 31 December 2013 (the "**Additional KraMZ-Auto Transportation Contract**").

THE AGGREGATION APPROACH AND THE ANNUAL AGGREGATE TRANSACTION AMOUNTS

Pursuant to Rule 14A.25 of the Listing Rules, the Additional KraMZ-Auto Transportation Contract and the Previously Disclosed 2013 Transportation Contracts are required to be aggregated as they are each entered into by the Group with the associates of En+/Mr. Deripaska and the subject matter of each contract relates to the provision of transportation services by the associates of En+/Mr. Deripaska to the Group.

The annual aggregate transaction amount that is payable by the Group to the associates of En+/Mr. Deripaska under the Additional KraMZ-Auto Transportation Contract and the Previously Disclosed 2013 Transportation Contracts for the financial year ending 31 December 2013 is estimated to be up to approximately USD17.764 million. The annual aggregate transaction amount is estimated by the Directors based on the need for transportation services by the Group, the total contract price and the historical figure for the year ended 31 December 2012.

REASONS FOR AND BENEFITS OF THE TRANSACTIONS

The Additional KraMZ-Auto Transportation Contract is entered into for the purpose of renting vehicles and transporting the products, cargoes, commodities, equipment and employees of the Group. The Company considers that the transactions contemplated under the Additional KraMZ-Auto Transportation Contract are for the benefit of the Company as the services provided are required in the production programmes of the Group.

The Additional KraMZ-Auto Transportation Contract is on arm's length commercial terms. The consideration payable under the Additional KraMZ-Auto Transportation Contract has been determined with reference to the market price and on terms no less favourable than those prevailing in the Russian market for transportation services of the same type and quality and those offered by KraMZ-Auto to independent third parties.

The Directors (including the independent non-executive Directors) consider that the Additional KraMZ-Auto Transportation Contract is on normal commercial terms which are fair and reasonable and the transactions contemplated under the Additional KraMZ-Auto Transportation Contract are in the ordinary and usual course of business of the Group and in the interests of the Company and its shareholders as a whole.

None of the Directors has a material interest in the transactions contemplated by the Additional KraMZ-Auto Transportation Contract save for Mr. Deripaska who is indirectly interested in more than 30% of the issued share capital of KraMZ-Auto. Each of Mr. Maxim Sokov, Ms. Gulzhan Moldazhanova and Mr. Vladislav Soloviev also has an interest in the transactions by virtue of his/her directorship in En+, which controls KraMZ-Auto. Accordingly, Mr. Deripaska, Mr. Maxim Sokov, Ms. Gulzhan Moldazhanova and Mr. Vladislav Soloviev did not vote on the Board resolutions for approving the Additional KraMZ-Auto Transportation Contract.

LISTING RULES IMPLICATIONS

KraMZ-Auto is an indirect subsidiary of En+, a substantial shareholder of the Company which is indirectly held by Mr. Deripaska as to more than 50% of the issued share capital. Accordingly, KraMZ-Auto is a connected person of the Company under the Listing Rules.

Accordingly, the transactions contemplated under the Additional KraMZ-Auto Transportation Contract constitute continuing connected transactions of the Company.

The annual aggregate transaction amount for the financial year ending 31 December 2013 of the continuing connected transactions under the Additional KraMZ-Auto Transportation Contract and the Previously Disclosed 2013 Transportation Contracts is more than 0.1% but less than 5% under the applicable percentage ratios. Accordingly, pursuant to Rule 14A.34 of the Listing Rules, the transactions contemplated under the Additional KraMZ-Auto Transportation Contract and the Previously Disclosed 2013 Transportation Contracts for the financial year ending 31 December 2013 are only subject to the reporting and announcement requirements set out in Rules 14A.45 to 14A.47, the annual review requirements set out in Rules 14A.37 to 14A.40 and the requirements set out in Rules 14A.35(1) and 14A.35(2) of the Listing Rules. These transactions are exempt from the independent shareholders' approval requirements under Chapter 14A of the Listing Rules.
