

POSTING OF IFRS 11 HISTORICAL PRO-FORMA INFORMATION FOR 2013

The presentation of the pro-forma 2013 historical information reviewed in accordance with the new accounting standard on joint arrangements (IFRS 11) is now available on our website at www.lafarge.com, under the section "Regulated Information". This new standard is applicable as of January 1, 2014, and the pro-forma 2013 historical information will be used as a comparison basis for 2014 quarterly earnings.

NOTES TO EDITORS

A world leader in building materials, Lafarge employs 65,000 people in 64 countries, and posted sales of €15.8 billion in 2012. As a top-ranking player in its Cement, Aggregates and Concrete businesses, it contributes to the construction of cities around the world, through its innovative solutions providing them with more housing and making them more compact, more durable, more beautiful, and better connected. With the world's leading building materials research facility, Lafarge places innovation at the heart of its priorities in order to contribute to more sustainable construction and to better serve architectural creativity. Since 2010, the Lafarge Group has been part of the Dow Jones Sustainability World Index, the first global sustainability benchmark in recognition of its sustainable development actions. More information is available on Lafarge's website: www.lafarge.com

Disclaimer:

This document does not constitute an offer to sell, or a solicitation of an offer to buy Lafarge shares.

The pro-forma historical information on the impacts of the first application of IFRS 11 presented in the slides mentioned above is to be read as a complement to the elements disclosed in the note 2.2 to the interim condensed consolidated financial statements as of September 30, 2013. These financial statements were released on November 6, 2013, as part of the Nine Month Financial Report for the period ended September 30, 2013.
