

Eutelsat Communications: follow-up statement on 28.5° East

Paris, 30 January 2014 —As communicated today, Eutelsat Communications (NYSE Euronext Paris: ETL) and SES (NYSE Euronext Paris and Luxembourg Stock Exchange: SESG) have settled their dispute at the 28.5 degrees East orbital position and concluded a series of agreements.

Following the settlement of this dispute, Eutelsat estimates the impact on revenues for its fiscal year 2013-2014 at approximately -5 million euros. There will be no impact on revenues in the two following years.

Eutelsat will publish H1 2013-14 results on 14 February 2014.

About Eutelsat Communications

Established in 1977, Eutelsat Communications (Euronext Paris: ETL, ISIN code: FR0010221234) is one of the world's leading and most experienced operators of communications satellites. The company provides capacity on 34 satellites to clients that include broadcasters and broadcasting associations, pay-TV operators, video, data and Internet service providers, enterprises and government agencies. Eutelsat's satellites provide ubiquitous coverage of Europe, the Middle East, Africa, Asia-Pacific and the Americas, enabling video, data, broadband and government communications to be established irrespective of a user's location. Headquartered in Paris, with offices and teleports around the globe, Eutelsat represents a workforce of 1,000 men and women from 32 countries who are experts in their fields and work with clients to deliver the highest quality of service.
