Publication of 2014 half-yearly financial report

Arkema announces the publication of its 2014 half-yearly financial report, in accordance with current regulations.

The report is available in the Investor Relations section of the Group's website (www.finance.arkema.com), and has been filed with the French *Autorité des marchés financiers* (AMF).

*A global chemical company and France's leading chemicals producer, **Arkema** is building the future of the chemical industry every day. Deploying a responsible, innovation-based approach, we produce state-of-the-art specialty chemicals that provide customers with practical solutions to such challenges as climate change, access to drinking water, the future of energy, fossil fuel preservation and the need for lighter materials. With operations in more than 40 countries, some 14,000 employees and 10 research centers, Arkema generates annual revenue of some €6.1 billion, and holds leadership positions in all its markets with a portfolio of internationally recognized brands.*
