Reference is made to the interim results announcement for the six months ended 30 June 2014 (“**Interim Results Announcement**”) dated 27 August 2014 of United Company RUSAL Plc (the “**Company**”). Unless otherwise specified, capitalised terms in this announcement shall have the same meanings as the defined terms in the Interim Results Announcement.

As mentioned in the Interim Results Announcement, as at 27 August 2014, the Company was unable to obtain consolidated interim financial information of Norilsk Nickel as at and for the six months ended 30 June 2014 and accordingly has estimated its share in the profit and other comprehensive income of its associate based on the publicly available information. As a result, the Company’s auditor, ZAO KPMG, has provided a qualified conclusion in its Independent Auditors’ Report on review of the consolidated interim condensed financial information of the Company as at and for the six months ended 30 June 2014.

On 28 August 2014, Norilsk Nickel published its first half 2014 interim consolidated IFRS financial results (“**Norilsk Nickel Financial Statements**”) on its own website. The management of the Company is reviewing the Norilsk Nickel Financial Statements and is of the preliminary view that they may possibly have no material adverse impact on the Company’s published consolidated interim condensed financial information as at and for the six months ended 30 June 2014 (as disclosed in the Interim Results Announcement).

As soon as the Company has updated its consolidated interim condensed financial information as at and for the six months ended 30 June 2014 and the auditors have performed the relevant review procedures with respect to the Norilsk Nickel Financial Statements, the Company will make further announcement containing the Company's updated consolidated interim condensed financial information as at and for the six months ended 30 June 2014.
