

PRESS RELEASE

Press Release

Paris, December 3, 2014

We have learned with great sadness of the passing of Luc Oursel, president and CEO of AREVA.

All of our thoughts are with his wife, his children and his family.

We would like to commend his engagement and courage during these seven years with us.

We wish to thank him for his tireless work for the development of AREVA's business, in service to his country.

MORE ABOUT AREVA

AREVA is a world leader in nuclear power. The group's offer to utilities covers every stage of the nuclear fuel cycle, reactor design and construction, and operating services. Its expertise and uncompromising dedication to safety make it a leading industry player.

AREVA also invests in renewable energies to develop, via partnerships, high technology solutions.

Through the complementary nature of nuclear and renewables, AREVA's 45,000 employees contribute to building tomorrow's energy model: supplying the greatest number of people with energy that is safer and with less CO₂.
