<sup>(1)</sup> Gross voting rights number (or « theoretical » voting rights) is used as a calculus base for the crossing of the threshold. In accordance with article 223-11 of general regulation of Autorité des Marchés Financiers, this number is calculated on the basis of all shares carrying the single and double voting rights, including shares without voting rights.

<sup>(2)</sup> Without treasury shares

<sup>(3)</sup> The total of shares composing the share capital has increased with the exercise of securities giving access to the share capital. Capital increase will be recorded by delegation during the next Board of Directors.

<sup>(4)</sup> The total number of voting rights raised significantly due to the acquisition of double voting rights related to shares namely owned for more than two years.
