

## Press Release

Changé, October 30, 2015

### **Séché Environnement launches Service d’Intervention en Urgence (SUI) which will operate 24/7**

Triadis Services, a subsidiary of Séché Environnement specializing in dealing with waste and hazardous substances, develops a services offering for emergency interventions, and now launches for its customers **Séché Urgence Intervention** (SUI, Emergency Intervention Service) which will operate 24/7.

Recognized for its expertise in managing chemical, biological and radiological risks, Triadis Services already intervenes in the decommissioning of industrial facilities or in accidents following leaks or spillages involving hazardous substances, and now aims to respond even more closely to its customers’ expectations with this new emergency solutions offering.

Triadis Services’ multidisciplinary teams of experts are available 24/7, and thanks to dedicated mobile facilities and equipment, intervene in complex industrial or natural environments, in cities, at sea or on rivers, however difficult the access and however large the incident, to restore the affected area to safe conditions.

Triadis Services’ interventions can include eliminating all waste products and selecting the most appropriate treatment method guaranteeing total traceability of every operation.

## **About Séché Environnement**

*Séché Environnement is one of the leading players in France in the treatment of, and resource recovery from, all types of waste from industry and/or from local communities.*

*Séché Environnement is the leading independent operator in France, with a unique positioning as the specialists in managing technical risks, at the hub of closed, high-entry-barrier markets for waste recovery and treatment.*

*Its facilities and expertise enable it to provide high value-added solutions to its industrial and public authority clients, targeting the challenges of the circular economy and sustainable development requirements such as:*

- *materials recovery or energy recovery from hazardous and non-hazardous waste;*
- *all types of treatment of solid, liquid or gaseous waste (thermal, physical-chemical or biological treatment);*
- *landfill of final hazardous and non-hazardous waste;*
- *eco-services for decontamination, decommissioning, asbestos removal and site rehabilitation.*

*Based on its comprehensive know-how, the Group is actively developing its business on waste management outsourcing markets for its clientele of large local authorities and major industrial companies, in France and other countries.*

*Séché Environnement has been listed on Eurolist by Euronext since November 27, 1997.*

*The stock is eligible for French PEA-PME status. It forms part of the CAC Mid&Small Index and the EnterNext PEA-PME 150 Index.*

## **Important notice**

This press release may contain information of a provisional nature. This information represents either trends or targets at the date of the press release's publication and may not be considered as results forecasts or as any other type of performance indicators. This information is by nature subject to risks and uncertainties that are difficult to foresee and are usually beyond the Company's control, which may imply that expected results and developments differ significantly from announced trends and targets. These risks notably include those described in the Company's Registration Document, which is available on its website ([www.groupe-seche.com](http://www.groupe-seche.com)). This information therefore does not reflect the Company's future performance, which may differ considerably, and no guarantee can be given as to the achievement of these forward-looking figures. The Company makes no commitment on the updating of this information. More complete information on the Company can be found on its website ([www.groupe-seche.com](http://www.groupe-seche.com)), under Regulatory Information. This press release does not constitute an offer of shares nor a solicitation in view of an offer of shares in any country whatsoever, including the United States. Distribution of this press release may be subject to the laws and regulations in force in France or abroad. Persons in possession of this press release must be aware of these restrictions and must observe them.
