

PRESS RELEASE

Collectis to Present Data on its Allogeneic CAR T-Cell Immunotherapy Product Candidates during the Upcoming ASH Annual Meeting

New York, November 5, 2015 – Collectis (Alternext: ALCLS – Nasdaq: CLLS) today announced that data on its engineered allogeneic CAR T-Cell product candidates, UCARTCS1 and UCART123, will be presented during the 2015 American Society of Hematology Annual Meeting. A poster and an oral presentation will be presented during this event.

Bypassing the Constraint for Chimeric Antigen Receptor (CAR) Development in T-Cells Expressing the Targeted Antigen: Improvement of Anti-CS1 CAR Activity in Allogenic TCR α /CS1 Double Knockout T-Cells for the Treatment of Multiple Myeloma (MM)

Oral presentation

Session Name: Myeloma: Pathophysiology and Pre-Clinical Studies, excluding Therapy: Novel Immunotherapeutics and the Impact of the Microenvironment

Presentation Time: Saturday, December 5, 2015 at 2:15 PM

TCR α b Deficient CAR T-Cells Targeting CD123: An Allogeneic Approach of Adoptive Immunotherapy for the Treatment of Acute Myeloid Leukemia (AML)

Poster presentation

Session Name: Acute Myeloid Leukemia: Novel Therapy, excluding Transplantation: Poster II

Presentation Time: Sunday, December 6, 2015 from 6:00 PM to 8:00 PM

About Collectis

Collectis is a biopharmaceutical company focused on developing immunotherapies based on gene edited engineered CAR-T cells (UCART). The company's mission is to develop a new generation of cancer therapies based on engineered T-cells. Collectis capitalizes on its 15 years of expertise in genome engineering - based on its flagship TALEN® products and meganucleases and pioneering electroporation PulseAgile technology - to create a new generation of immunotherapies. CAR technologies are designed to target surface antigens expressed on cells. Using its life-science-focused, pioneering genome-engineering technologies, Collectis' goal is to create innovative products in multiple fields and with various target markets. Collectis S.A. is listed on the Nasdaq Global Market (ticker: CLLS) and on the NYSE Alternext market (ticker: ALCLS). To find out more about us, visit our website: www.collectis.com

Talking about gene editing? We do it.

TALEN® is a registered trademark owned by the Collectis Group.
