Gecina sets up interim payments for its dividends

At the Board meeting today, chaired by Mr Bernard Michel, Gecina's Directors decided to set up interim dividend payments from 2016, for the payment of the 2015 dividend.

Once the dividend has been released for payment, an interim payment representing 50% of the total dividend for 2015 will be paid in March 2016, followed by the balance in July 2016.

These new conditions will enable Gecina's shareholders to benefit from regular payments, aligned more closely with the company's financial flows.

On February 24, 2016, after close of trading, Gecina will be releasing its full-year earnings for 2015. On this occasion, the Group will announce the total amount of the dividend that will be submitted for approval at the General Meeting on April 21 next year, in addition to indicating the exact schedule for the ex-dividend and payment dates.
