### **Eurofins – a global leader in bio-analysis**

Eurofins Scientific is the world leader in food, environment and pharmaceutical products testing. It is also one of the global market leaders in agrosience, genomics, discovery pharmacology and central laboratory services. In addition, Eurofins is one of the key emerging players in specialty clinical diagnostic testing in Europe and the USA.

With over 22,000 staff in over 225 laboratories across 39 countries, Eurofins offers a portfolio of over 130,000 reliable analytical methods for evaluating the safety, identity, composition, authenticity, origin, traceability and purity of biological substances and products, as well as for innovative clinical diagnostic. The Group provides its customers with high-quality services, accurate results on time and expert advice by its highly qualified staff.

Eurofins is committed to pursuing its dynamic growth strategy by expanding both its technology portfolio and its geographic reach. Through R&D and acquisitions, the Group draws on the latest developments in the field of biotechnology and analytical chemistry to offer its clients unique analytical solutions and the most comprehensive range of testing methods.

As one of the most innovative and quality oriented international players in its industry, Eurofins is ideally positioned to support its clients' increasingly stringent quality and safety standards and the expanding demands of regulatory authorities and healthcare practitioners around the world.

The shares of Eurofins Scientific are listed on the Euronext Paris Stock Exchange (ISIN FR0000038259, Reuters EUFI.PA, Bloomberg ERF FP).
