

## **Truffle 100: Sopra Steria moves up to second place in the 2016 ranking of software publishers in France**

**Paris, 2nd May 2016 – Sopra Steria moves up one place to take second position in the 12th annual edition of the Truffle 100, ranking the top 100 software publishers in France.**

"We are delighted to have moved up a place to the No. 2 spot in the Truffle 100 ranking, a benchmark indicator for our software development business. This progress validates our strategy, which is to continuously improve the excellence of our software offering. This is at the heart of our commitment to support our customers in their successful digital transformation," said Vincent Paris, CEO of Sopra Steria.

Software development has been a key strategic focus to the Group for over 40 years. Sopra Steria creates and deploys application solutions to deliver advanced software, based on cutting-edge information technologies, know-how and expertise, helping our customers to develop their business. Using the software solutions developed by Sopra Steria all of which rank among the leaders in their respective markets, our customers are able to pursue excellence in three key areas:

- Financial services (Sopra Banking Software subsidiary), with a software suite used by more than 600 customers in 70 countries;
- Human resources (Sopra HR Software subsidiary), with a range of solutions covering all the needs of HR information systems, deployed with more than 850 customers in over 54 countries;
- Property, with management solutions in France.

### **About Sopra Steria**

Sopra Steria, a European leader in digital transformation, provides one of the most comprehensive portfolios of end-to-end service offerings on the market: consulting, systems integration, software development, infrastructure management and business process services. Sopra Steria is trusted by leading private and public-sector organisations to deliver successful transformation programmes that address their most complex and critical business challenges. Combining high quality and performance services, added value and innovation, Sopra Steria enables its clients to make the best use of digital technology. With over 38,000 employees in more than 20 countries, Sopra Steria had revenue of €3.6 billion in 2015.
