Paris, 27 September 2016 – The world of television that we enjoy in and out of the home as well as in the palm of our hands is a world of boundless creativity, inspiration, courage and innovation. These qualities are some of the many fuelling the drive of channels shortlisted for one of this year's prestigious **Eutelsat TV Awards**.

The **Eutelsat TV Awards** is the only international event shining a spotlight on the quality of thematic TV channels broadcast around the world. The jury, chaired by award-winning RAI journalist Duilio Giammaria, and assembling media experts from diverse markets, met in Paris from 24 to 25 September to assess the quality, innovation and creativity of over 120 channels from 40 countries.
