About La Française de l'Énergie

Awarded the young innovative status by Bpifrance since June 2013, La Française de l'Énergie is a dynamic SME headquartered in East of France and the first gas producer in France. Specialised in the coal bed methane and coal mine methane production, La Française de l'Énergie produces a local high quality energy from the significant gas resources contained in the former mining basins of North-Eastern France.

With the development of this local and strategic energy, La Française de l'Énergie builds an economically and ecologically competitive project with significant value added for the local communities.
