PSA Group makes electric commercial vehicles available for car sharing as part of a partnership with the Paris Town Hall (Mairie de Paris)

Today, the city of Paris inaugurates the electric commercial vehicle car sharing service for professionals, "VULe Partagés". PSA Group equips 80% of the vehicle fleet put into service.

Out of 10 vehicles available, 4 Peugeot Partner and 4 Citroën Berlingo are made available to users. This type of vehicle is suited to professional use, with 3 seats in the front and a fast charging, 80% within 30 minutes. Today, the service is launched on an experimental basis in the 2nd and 3rd arrondissement of Paris.

This experimental phase is carried out as part of the Ile-de-France Region's call for projects on "Innovation to promote sustainable mobility". To use this service, traders and craftspeople in the city of Paris can register on-line on the website: www.vulepartages.fr

A pioneer in the electric vehicle sector since 1995, PSA Group today markets 5 electric vehicles: Peugeot iOn and Partner (commercial vehicle), Citroën E-Mehari, C-Zero and Berlingo (commercial vehicle). From 2019, 4 new electric vehicles will be available.

This approach illustrates PSA Group's commitment to offering sustainable and global solutions to meet the challenge of energy transition.
