### **THE ANNUAL AGGREGATE TRANSACTION AMOUNT**

The contract price payable under the New Repair Services Contract has been determined with reference to the market price and on terms no less favourable than those prevailing in the Russian market for repair services of the same type and quality and those offered by the associates of En+ to independent third parties. The basis of calculation of payments under the New Repair Services Contract is the price of contract offered by the associates of En+ which is based on the estimated costs (including labour costs and the necessary materials) for the relevant repair works. The Company invited several organizations to take part in the tender in relation to the required repair services and chose the contractor offering the best terms and conditions (taking into account the price, quality offered by the contractor and availability of professionals with the required skill and experience) and then entered into the contract with the chosen contractor.

Based on the terms of the New Repair Services Contract and the Previously Disclosed Repair Services Contracts, the annual aggregate transaction amount that is payable by the Group to the associates of En+ for the financial year ending 31 December 2017 is estimated to be approximately USD11.933 million.

The annual aggregate transaction amount is estimated by the Directors based on the amount of repair services to be received and the contract price.

### **THE AGGREGATION APPROACH**

Pursuant to Rule 14A.81 of the Listing Rules, the continuing connected transactions contemplated under the New Repair Services Contract and the Previously Disclosed Repair Services Contracts should be aggregated, as they were entered into by the Group with the associates of the same group of connected persons who are parties connected or otherwise associated with one another, and the subject matter of each of the contracts relates to the receipt of repair and maintenance services by members of the Group.

### **REASONS FOR AND BENEFITS OF THE TRANSACTIONS**

The Directors consider that the New Repair Services Contract is for the benefit of the Company, as the contractor offered a competitive price.

The Directors (including the independent non-executive Directors) consider that the New Repair Services Contract has been negotiated on an arm's length basis and on normal commercial terms which are fair and reasonable and the transactions contemplated under the New Repair Services Contract are in the ordinary and usual course of business of the Group and in the interests of the Company and its shareholders as a whole.

None of the Directors has a material interest in the transactions contemplated under the New Repair Services Contract, save for Mr. Deripaska, Mr. Maxim Sokov, Ms. Olga Mashkovskaya and Ms. Gulzhan Moldazhanova, who are directors of En+, being the holding company of Bratskenergoremont. Mr. Deripaska is also indirectly interested in more than 50% of the issued share capital of En+. Accordingly, Mr. Deripaska, Mr. Maxim Sokov, Ms. Olga Mashkovskaya and Ms. Gulzhan Moldazhanova did not vote on the Board resolution approving the New Repair Services Contract.

### **LISTING RULES IMPLICATIONS**

Bratskenergoremont is held by En+ as to more than 30% of the issued share capital and is therefore an associate of En+ which is a substantial shareholder of the Company and thus is a connected person of the Company under the Listing Rules.

The estimated annual aggregate transaction amount of the continuing connected transactions under the New Repair Services Contract and the Previously Disclosed Repair Services Contracts for the financial year ending 31 December 2017 is more than 0.1% but less than 5% under the applicable percentage ratios. Accordingly,

pursuant to Rule 14A.76 of the Listing Rules, the transactions contemplated under these contracts are only subject to the announcement requirements set out in Rules 14A.35 and 14A.68, the annual review requirements set out in Rules 14A.49, 14A.55 to 14A.59, 14A.71 and 14A.72 and the requirements set out in Rules 14A.34 and 14A.50 to 14A.54 of the Listing Rules.
