Median Technologies to present at Cowen and Company 37th Annual Health Care Conference.

SOPHIA ANTIPOLIS, France – February 28, 2017 - MEDIAN Technologies (ALMDT.PA), the Imaging Phenomics™ Company, announced today that Fredrik Brag, Median’s Chief Executive Officer, will provide an overview of the Company and its strategic objectives at the Cowen and Company 37th Annual Health Care Conference.

The presentation will take place on Tuesday, March 7th at 08:40 am EST at the Marriott Copley Place in Boston, Massachusetts, USA.

About Median Technologies: Median Technologies provides innovative imaging solutions and services to advance healthcare for everyone. We leverage the power of Imaging Phenomics™ to provide insights into novel therapies and treatment strategies. Our unique solutions, LMS for lesion management and iBiopsy™ for imaging phenotyping, together with our global team of experts, are advancing the development of new drugs and diagnostic tools to monitor disease and assess response to therapy. Median Technologies supports biopharmaceutical sponsors and healthcare professionals around the world to quickly and

precisely bring new treatments to patients in need, with an eye on reducing overall care costs. This is how we are helping to create a healthier world.

Founded in 2002, based in Sophia-Antipolis, France, with a US subsidiary in Boston, Median has received the label “Innovative company” by the BPI and is listed on Euronext Paris’ Alternext market (ISIN: FR0011049824, ticker: ALMDT). The company is eligible for the PEA-PME SME equity savings plan setup and has received the label Pass French Tech Promotion 2016-2017. More information: www.mediantechologies.com
