(2) Includes Early Tender Payment (as defined herein).

In conjunction with the offers to exchange (each an “Exchange Offer” and collectively, the “Exchange Offers”), FMC Technologies (“FMCTI”) is soliciting consents (each, a “Consent Solicitation” and, collectively, the “Consent Solicitations”) to adopt certain proposed amendments to each of the indentures governing the notes issued by FMC Technologies as set forth in the table above (the “Existing FMCTI Notes”) to eliminate certain covenants, restrictive provisions and events of default from such indentures. Each Exchange Offer and Consent Solicitation is conditioned upon the completion of the other Exchange Offers and Consent Solicitations, although TechnipFMC may waive such condition at any time with respect to an Exchange Offer. Any waiver of a condition by TechnipFMC with respect to an Exchange Offer will automatically waive such condition with respect to the corresponding Consent Solicitation, as applicable.

TechnipFMC will enter into a registration rights agreement pursuant to which TechnipFMC will agree to file an exchange offer registration statement with the Securities and Exchange Commission to allow holders of the new notes to be issued by TechnipFMC (the “New TechnipFMC Notes”) to exchange New TechnipFMC Notes for the same principal amount of a new issue of notes with substantially identical terms, except that the exchange notes will generally be freely transferable under the United States Securities Act of 1933, as amended (the “Securities Act”).

The Exchange Offers and Consent Solicitations are being made pursuant to the terms and subject to the conditions set forth in the offering memorandum and consent solicitation statement dated February 28, 2017 (the “Offering Memorandum and Consent Solicitation Statement”).

Holdes who validly tender their Existing FMCTI Notes at or prior to 11:59 p.m., New York City time, on March 13, 2017, unless extended (the “Early Tender Date”), will be eligible to receive the applicable Total Exchange Consideration as set forth in the table above, which includes the applicable Early Tender Payment as set forth in the table, for all such Existing FMCTI Notes that are accepted. For each \$1,000 principal amount of Existing FMCTI

Notes validly tendered after the Early Tender Date but prior to 11:59 pm., New York City time, on March 27, 2017, unless extended (the “Expiration Date”), holders of Existing FMCTI Notes will not be eligible to receive the applicable Early Tender Payment and, accordingly, will only be eligible to receive the applicable Exchange Consideration as set forth in the table above on the settlement date. The settlement date is expected to occur within two business days after the Expiration Date.

Documents relating to the Exchange Offers and Consent Solicitations will only be distributed to eligible holders of Existing FMCTI Notes who complete and return an eligibility form confirming that they are either a “qualified institutional buyer” under Rule 144A or not a “U.S. person” and outside the United States under Regulation S for purposes of applicable securities laws. The complete terms and conditions of the Exchange Offers and Consent Solicitations are described in the Offering Memorandum and Consent Solicitation Statement, copies of which may be obtained by contacting D.F. King & Co., the exchange agent and information agent in connection with the Exchange Offers and Consent Solicitations, at (800) 967-4617 (U.S. toll-free) or (212) 269-5550 (banks and brokers) or technipfmc@dfking.com. The eligibility form is available electronically at: www.dfking.com/technipfmc.

This press release does not constitute an offer to sell or purchase, or a solicitation of an offer to sell or purchase, or the solicitation of tenders or consents with respect to, any security. No offer, solicitation, purchase or sale will be made in any jurisdiction in which such an offer, solicitation, or sale would be unlawful. The Exchange Offers and Consent Solicitations are being made solely pursuant to the Offering Memorandum and Consent Solicitation Statement and only to such persons and in such jurisdictions as is permitted under applicable law.

The New TechnipFMC Notes have not been and will not be registered under the Securities Act or any state securities laws.
