

## STENTYS: convening of another Annual General Meeting on June 22, 2017

PARIS - May 11, 2017 – 6.00 pm CEST - STENTYS (FR0010949404 - STNT), a medical technology company commercializing the XPOSITION S Sirolimus-eluting self-apposing coronary stent, informs its shareholders that the Annual General Meeting held on May 11, 2017 was unable to deliberate, as the required quorum was not reached.

Shareholders are therefore invited to attend another Annual General Meeting, on the second call, to be held on Thursday June 22, 2017 from 4 pm at 21 place de la Madeleine, 75008 Paris, the agenda of which will be the same.

All of the documents pertaining to this Shareholders' Meeting are available to shareholders from the Company's head offices, and can also be found on the Company's website: [www.stentys.com](http://www.stentys.com), Investors / Documentation / Assemblées Générales (Shareholders' Meetings): <http://www.stentys.com/28/6/documents/documentation.html>.

### About STENTYS

STENTYS is developing and commercializing innovative solutions for the treatment of patients with complex artery disease. STENTYS' Self-Apposing<sup>®</sup> drug-eluting stents are designed to adapt to vessels with ambiguous or fluctuating diameters in order to prevent the malapposition problems associated with conventional stents. The APPOSITION clinical trials in the treatment of acute myocardial infarction showed a very low one year mortality rate and a faster arterial healing compared to conventional stents. The company's product portfolio also includes MiStent SES<sup>®</sup>, a coronary DES whose new drug delivery mechanism is designed to match vessel response, and is marketed through STENTYS' commercial network in Europe, the Middle East, Asia and Latin America. **More information is available at [www.stentys.com](http://www.stentys.com)**
