**About La Française de l’Energie**

*La Française de l’Energie is a SME headquartered in Lorraine, leader in industrial ecology, specialised in gas recovery in the former coal mining basins of North and Eastern France. La Française de l’Energie provides gas, green electricity and heat to regional consumers, replacing imported energy with a cleaner local alternative. La Française de l’Energie benefits from a strong growth potential and aims to become a major energy player in Europe. The company has also been awarded the innovative enterprise label from Bpifrance.*
