About Louis Capital Markets:

Louis Capital Markets (LCM) is an independent financial intermediary institution that exclusively works with institutional clients, providing them with order-execution and research services. LCM is an intermediary for equity and derivatives, raw materials, currencies and interest rates. LCM has approximately 200 employees spread among its five offices in the United States, Europe and Asia.

About La Française de l'Énergie

La Française de l'Énergie is a SME headquartered in Lorraine, leader in industrial ecology, specialised in gas recovery in the former coal mining basins of North and Eastern France. La Française de l'Énergie provides gas, green electricity and heat to regional consumers, replacing imported energy with a cleaner local alternative. La Française de l'Énergie benefits from a strong growth potential and aims to become a major energy player in Europe. The company has also been awarded the innovative enterprise label from Bpifrance.
