**PARIS, AUGUST 1, 2017** – Teleperformance, the worldwide leader in omnichannel customer experience management, announced today its operation in India was recognized as a Best Workplace by the prestigious Great Place to Work® (GPTW) Institute for the fifth time. Teleperformance India ranks No. 8 out of 100 companies selected for inclusion on the 2017 list of ‘India’s Best Workplaces’. This is a case study for all companies that work with a large population of young professionals.”*

*“People is the strongest pillar of our 5Ps culture, which is a unique multiplier in everything that we do,” said Sanjay Mehta, Managing Director, Teleperformance India. “Our people build the passion and drive performance with a purpose shared across the company. Being recognized as a ‘Best Workplace’ for the fifth time reaffirms our trust in this strategy of putting people first, and in each member of the Teleperformance family. We accept this recognition with great humility, and are inspired to continue delivering the best experience for our employees and customers alike.”*

*“Teleperformance India is known for its exceptional services and passionate team of professionals, so this important recognition is not only well-deserved but celebrated by the entire Teleperformance family,” said Paulo César Salles Vasques, Worldwide Chief Executive Officer, Teleperformance Group. “We look forward to supporting the continued success of our Teleperformance India team.”*
