IFF Increases Quarterly Dividend 8% to \$0.69 per share

NEW YORK, N.Y., August 2, 2017 – International Flavors & Fragrances Inc. (NYSE: IFF) (Euronext Paris: IFF), a leading innovator of sensory experiences that move the world, authorized a quarterly dividend of \$0.69 per share of the Company's common stock, an increase of \$0.05, or 8%, from the current quarterly dividend of \$0.64 per share. The quarterly dividend will be payable on October 6, 2017 to shareholders of record as of September 25, 2017.

"I am pleased with IFF's continued commitment to balance reinvestment opportunities in the business with return of capital to shareholders," said IFF Chairman and CEO Andreas Fibig. "The increased dividend is well aligned with our disciplined approach to capital allocation – returning 50% to 60% of adjusted net income – as we strategically invest to drive long-term sustainable growth while returning value to our shareholders. This increase underscores our confidence in our continued financial strength and the long-term outlook of our business."
