## **THE ANNUAL AGGREGATE TRANSACTION AMOUNT**

Pursuant to Rule 14A.81 of the Listing Rules, the continuing connected transactions contemplated under the New Transportation Contracts and the Previously Disclosed Transportation Contracts should be aggregated for the financial year ending 31 December 2017, as they were entered into by members of the Group with the associates of En+, and the subject matter of each contract relates to the provision of transportation services by the associates of En+ to the Group.

The annual aggregate transaction amounts that are payable by the Group to the associates of En+ under the New Transportation Contracts and the Previously Disclosed Transportation Contracts for the financial year ending 31 December 2017 is estimated to be approximately USD22.187 million. The annual aggregate transaction amount that is payable by the Group to the associates of En+ under the New Transportation Contracts for the financial year ending 31 December 2018 is estimated to be approximately USD129,874.

In accordance with the Company's procurement policies and using tools such as the Company's procurement portal, the Company invited several organizations to take part in the tender in relation to the required transportation services. The Company's procurement managers, in line with the best-in-class experience and know-how of the Company's procurement policies, with approval from the Company's bidding committee chose the contractor offering the best terms and conditions (the service provider offered the lowest price for several routes and was able to meet the needs of the plant in full) and then entered into the contract with the chosen service provider.

The contract price under the New Transportation Contracts has been arrived at after arm's length negotiation with reference to the market price and on terms no less favourable than those prevailing in the Russian market for transportation services of the same type and quality and those offered by the associate of En+ to independent third parties. The annual aggregate transaction amount is derived from the total contract price under the New Transportation Contracts, which was based on the need of transportation services by the Group for the relevant year.

## **REASONS FOR AND BENEFITS OF THE TRANSACTIONS**

The New Transportation Contracts were entered into for the purpose of transporting goods, cargoes and/or passenger forwarding of the Group. The Company considers

that the transactions contemplated under the New Transportation Contracts are for the benefit of the Company, as the services provided are required in the production process of the Group and the service provider offered a competitive price and is capable of meeting the Group's transportation needs.

The Directors (including the independent non-executive Directors) consider that the New Transportation Contracts are on normal commercial terms which are fair and reasonable and the transactions contemplated under the New Transportation Contracts are in the ordinary and usual course of business of the Group and in the interests of the Company and its shareholders as a whole.

None of the Directors has a material interest in the transactions contemplated under the New Transportation Contracts, save for Mr. Deripaska, Mr. Maxim Sokov, Ms. Olga Mashkovskaya and Ms. Gulzhan Moldazhanova, who are directors of En+, being the holding company of Limited Liability Company "KraMZ-Auto". Mr. Deripaska is also indirectly interested in more than 50% of the issued share capital of En+. Accordingly, Mr. Deripaska, Mr. Maxim Sokov, Ms. Olga Mashkovskaya and Ms. Gulzhan Moldazhanova did not vote on the Board resolution approving the New Transportation Contracts.

## **LISTING RULES IMPLICATIONS**

Limited Liability Company "KraMZ-Auto" is an indirect subsidiary of En+, and is therefore an associate of En+ which is a substantial shareholder of the Company. Accordingly, Limited Liability Company "KraMZ-Auto" is a connected person of the Company under the Listing Rules.

Accordingly, the transactions contemplated under the New Transportation Contracts constitute continuing connected transactions of the Company.

The estimated annual aggregate transaction amount of the continuing connected transactions under the New Transportation Contracts and the Previously Disclosed Transportation Contracts for the financial year ending 31 December 2017 is more than 0.1% but less than 5% under the applicable percentage ratios. Accordingly, pursuant to Rule 14A.76 of the Listing Rules, the transactions contemplated under these contracts are only subject to the announcement requirements set out in Rules 14A.35 and 14A.68, the annual review requirements set out in Rules 14A.49, 14A.55 to 14A.59, 14A.71 and 14A.72 and the requirements set out in Rules 14A.34 and 14A.50 to 14A.54 of the Listing Rules. These transactions are exempt from the circular and shareholders' approval requirements under Chapter 14A of the Listing Rules.

Details of the New Transportation Contracts will be included in the relevant annual report and accounts of the Company in accordance with Rule 14A.71 of the Listing Rules where appropriate.
