About Scoliosis Research Society (SRS)

Founded in 1966, the Scoliosis Research Society is a society aimed at fostering optimal care for all patients with spinal deformities. Furthermore to its annual conference, the SRS coordinates regional courses to meet orthopaedics and neurosurgeons’ needs, who have undergone specialized training and who are performing spinal surgery and have an interest in surgery treatment and non-surgical treatment of patients with spinal deformities. This regional course is the first of the year 2018 out of a total of 5 courses, and should gather 55 spine specialists.
