Distribution of the third 2018 interim dividend Indicative ex-dividend dates for 2020 dividend

Paris, March 13, 2019 – The Board of Directors met on March 13, 2019 and declared the distribution of a third interim dividend for the 2018 fiscal year of €0.64 per share, in accordance with the Board's decision of October 25, 2018, an amount equal to the first and second 2018 interim dividends, increased by 3.2% compared to the three interim dividends and the final dividend paid for the 2017 fiscal year. Pursuant to the fourth resolution of the Shareholders' Meeting of June 1, 2018, the option to receive this interim dividend in new shares of the Company will be offered to shareholders, including holders of its American Depository Shares (ADS) listed on the New York Stock Exchange.

In line with the shareholder return policy announced on February 8, 2018, in order to avoid any dilution linked to the issuance of new shares, the Group will buy back these newly issued shares with the intention to cancel them.

The share price for the new shares to be issued in payment of the third 2018 interim dividend is set at €49.30 per share, equal to the average opening prices of the shares for the twenty trading days preceding the meeting of the Board of Directors on March 13, 2019, reduced by the net amount of the interim dividend, without any discount, rounded up to the nearest cent. Shares issued accordingly will carry immediate dividend rights and an application to trading on Euronext Paris will be made.

Shareholders and holders of ADS will receive this third interim dividend, and will have the option to receive a payment either in cash or in new shares by instructing their financial advisors, as per the following timetable:

<i>In 2019</i>	<u>Shareholders</u>	<u>ADS holders</u>
Ex-dividend date	March 19 th	March 15 th

If the amount of the third interim dividend for the 2018 fiscal year for which the option is exercised does not correspond to a whole number of shares, the shareholders may opt to receive either the number of shares immediately above, by paying a cash adjustment on the

day they exercise their option, or the number of shares immediately below, plus a balancing cash adjustment.

As a reminder, the Board of Directors has decided not to propose to the Shareholders' Meeting of May 29, 2019 the renewal of the scrip dividend option beginning with the payment of the final 2018 dividend.
