About Claranova:

A truly global Internet and mobile player, Claranova reported revenue of nearly €140 million in the first-half of 2018-2019, generated over 90% internationally. Claranova has focused since its creation on four specific areas of expertise: understanding major technology domains; ability to define a strategic vision around innovative concepts; implementing innovative business models; and finally strong global execution capacity at all levels of the Company, including research and development, digital marketing, sales, partnerships, finance, etc. Its businesses are:

- *Avanquest: a specialist in monetizing Internet traffic. Avanquest boosts its customer impact through cross-selling offerings that maximize Internet traffic while ensuring the most efficient monetization possible;*
- *PlanetArt: a world leader in mobile printing, specifically via its FreePrints and Photobook apps – the cheapest and simplest solutions in the world for printing photos and creating photo albums from a smartphone;*
- *myDevices: a global platform for IoT (Internet of Things) management, myDevices allows its partners to commercialize turnkey solutions ("IoT in a Box") to their customers. Ready-to-use solutions are available for roll-out in the medical, hotel, food and beverage, retail and education sectors thanks to these offerings.*
