

Colombes, 30 April 2019

Information relating to the combined annual general meeting of 21 May 2019

Arkema's shareholders are invited to participate in the combined annual general meeting which will be held on **Tuesday 21 May 2019 at 10 am (Paris time)** at the **Théâtre des Sablons, 70 avenue du Roule, 92200 Neuilly-sur-Seine**.

The information provided for in article R.225-73-1 of the French Commercial Code including the preliminary notice of meeting (*Avis de réunion* - only available in French) published in the BALO (*Bulletin des Annonces Légales Obligatoires*) dated 10 April 2019, the notice of meeting (*Avis de convocation* - only available in French) published in the BALO dated 29 April 2019, the notice of meeting leaflet and the terms of participation and vote in this annual general meeting are available in the section "Finance", "Annual General Meeting" of the Group's website, at the following address: www.finance.arkema.com.

The documents referred to in Article R. 225-83 of the French Commercial Code are made available to shareholders as from the date of the convening notice for the annual general meeting in accordance with applicable regulations, as follow:

- shareholders may, up to and including the fifth day prior to the annual general meeting, request that the Company sends these documents to them, free of charge. For shareholders holding bearer shares, the exercise of this right is subject to the provision of a certificate of registration in the accounts of the bearer shares issued by the authorized intermediary;
- shareholders may consult these documents at Arkema's headquarters, under the conditions provided for by applicable regulations.

A designer of materials and innovative solutions, Arkema shapes materials and creates new uses that accelerate customer performance. Our balanced business portfolio spans high-performance materials, industrial specialties and coating solutions. Our globally recognized brands are ranked among the leaders in the markets we serve. Reporting annual sales of €8.8 billion in 2018, we employ approximately 20,000 people worldwide and operate in close to 55 countries. We are committed to active engagement with all our stakeholders. Our research centers in North America, France and Asia concentrate on advances in bio-based products, new energies, water management, electronic solutions, lightweight materials and design. www.arkema.com
