

**Shareholders' general meeting of June 24, 2019  
All resolutions submitted have been approved**

***Inside Secure to Change its Corporate Name to Verimatrix Effective July 1, 2019***

**Aix-en-Provence, France and San Diego, USA, June 25, 2019** - Inside Secure (Euronext Paris: INSD) yesterday held its annual shareholders' meeting. All the submitted resolutions were approved. In particular, the shareholders approved the change of the group company name to Verimatrix.

Effective July 1, 2019, Inside Secure will operate as Verimatrix. Shares will trade on Euronext Paris under trading symbol "VMX" as of that date or in the following days depending on completion of administrative process. The new company identity and additional details on brand platform will be released on July 1.

*"The adoption of Verimatrix as common company name is a new milestone in the execution of the synergies and integration with Verimatrix. We thank our shareholders for their trust in our ability to execute on our vision of securing and enabling the connected future,"* said Amedeo D'Angelo, chairman and CEO of Inside Secure/Verimatrix.

The presentation made during the shareholders' meeting and the detailed outcome of the vote of the resolutions submitted are available on the company's website (<https://www.insideseure-finance.com/en>).
