

Eurofins intends to issue new hybrid notes to replace its 300M€ outstanding hybrid notes with a first call date on 31 January 2020 and to launch a tender offer on those 2020 hybrid notes

Tuesday, September 3, 2019

Eurofins Scientific (ERF FP, unrated), a global leader in bioanalytical testing, announces today:

- its intention to issue new Euro-denominated undated deeply subordinated fixed to variable rate notes with a first call date at the option of the Company in August 2022 for an expected amount of up to EUR 300,000,000 (the “**New Notes**”).

and

- the launch of a tender offer (the “**Tender Offer**”) to repurchase its outstanding EUR 300,000,000 undated deeply subordinated fixed to variable rate notes with a first call date at the option of the Company on 31 January 2020 (ISIN: XS0881803646)

The Tender Offer is subject to the success of the issuance of the New Notes. Results of the Tender Offer are expected to be announced on 11 September 2019 (subject to changes as a result of any extension, withdrawal, termination or amendment of the Tender Offer).

The purpose of the Tender Offer and the planned issuance of New Notes is, amongst other things, to proactively manage the refinancing of the Company’s outstanding hybrid notes which are callable in January 2020, while taking advantage of favorable market conditions.

This document contains inside information for the purpose of Regulation (EU) 596/2014 of the European Parliament and of the Council of 16 April 2014 on market abuse

Disclaimer

This announcement does not constitute an invitation to participate in the Tender Offer or the issuance of New Notes in or from any jurisdiction in or from which, or to or from any person to or from whom, it is unlawful to make such invitation under applicable securities laws. The distribution of this announcement in certain jurisdictions may be restricted by law. Persons into whose possession this announcement comes are required to inform themselves about, and to observe, any such restrictions.

Tenders of Notes for purchase pursuant to the Tender Offer will not be accepted from qualifying holders in any circumstances in which such offer or solicitation is unlawful. The Company does not make any recommendation as to whether or not qualifying holders should participate in the Tender Offer.

Securities may not be offered or sold in the United States absent registration under, or an exemption from the registration requirements of, the Securities Act. The New Notes have not been, and will not be, registered under the Securities Act or the securities laws of any state or other jurisdiction of the United States, and may not be offered, sold or delivered, directly or indirectly, in the United States or to, or for the account or benefit of, any U.S. Person.

United States

*This Tender Offer is not being made and will not be made directly or indirectly in or into, or by use of the mails of, or by any means or instrumentality (including, without limitation, facsimile transmission, telex, telephone, email and other forms of electronic transmission) of interstate or foreign commerce of, or any facility of a national securities exchange of, the United States or to U.S. Persons as defined in Regulation S of the U.S. Securities Act of 1933, as amended (the **Securities Act**) (each a **U.S. Person**) and the Notes may not be tendered in the Tender Offer by any such use, means, instrumentality or facility from or within the United States, by persons located or resident in the United States of America (“U.S. holders” within the meaning of Rule 800(h) under the Securities Act). Accordingly, any documents or materials related to this Tender Offer are not being, and must not be, directly or indirectly, mailed or otherwise transmitted, distributed or forwarded (including, without limitation, by custodians, nominees or trustees) in or into the United States or to any such person.*

Any purported tender instruction in response to this Tender Offer resulting directly or indirectly from a violation of these restrictions will be invalid, and tender instructions made by a person located or resident in the United States of America or any agent, fiduciary or other intermediary acting on a non-discretionary basis for a principal giving instructions from within the United States will not be accepted.

*For the purposes of the above paragraph, **United States** means the United States of America, its territories and possessions (including Puerto Rico, the U.S. Virgin Islands, Guam, American Samoa, Wake Island and the Northern Mariana Islands), any state of the United States of America and the District of Columbia.*

Notes for the editor:

Eurofins – a global leader in bio-analysis

Eurofins Scientific through its subsidiaries (hereinafter sometimes “Eurofins” or “the Group”) believes it is a scientific leader in food, environment, pharmaceutical and cosmetics products testing and in agrosience CRO services. It is also one of the global independent market leaders in certain testing and laboratory services for genomics, discovery pharmacology, forensics, CDMO, advanced material sciences and for supporting clinical studies. In addition, Eurofins is one of the leading global emerging players in specialty clinical diagnostic testing. With about 45,000 staff in more than 800 laboratories across 47 countries, Eurofins offers a portfolio of over 200,000 analytical methods for evaluating the safety, identity, composition, authenticity, origin and purity of biological substances and products, as well as for innovative clinical diagnostic. The Group objective is to provide its customers with high-quality services, accurate results on time and expert advice by its highly qualified staff.

Eurofins is committed to pursuing its dynamic growth strategy by expanding both its technology portfolio and its geographic reach. Through R&D and acquisitions, the Group draws on the latest developments in the field of biotechnology and analytical chemistry to offer its clients unique analytical solutions and the most comprehensive range of testing methods.

As one of the most innovative and quality oriented international players in its industry, Eurofins is ideally positioned to support its clients’ increasingly stringent quality and safety standards and the expanding demands of regulatory authorities around the world.

The shares of Eurofins Scientific are listed on the Euronext Paris Stock Exchange (ISIN FR0000038259, Reuters EUFI.PA, Bloomberg ERF FP).
