### About Voluntis

Voluntis creates digital therapeutics that empower people suffering from chronic conditions to self- manage their treatment every day, thus improving real-world outcomes. Combining mobile and web apps, Voluntis' solutions deliver personalized recommendations to the patient and the care team so that they can, for example, adjust treatment dosage, manage side effects or monitor symptoms. These real- time recommendations are based on digitized clinical algorithms. Leveraging its Theraxium technology platform, Voluntis has designed and operates multiple digital therapeutics, especially in diabetes and oncology. Voluntis has long-standing partnerships with leading life science companies. Based out of Boston and Paris, France, Voluntis is a founding member of the Digital Therapeutics Alliance.
