

Release of the first supplement to the base prospectus of the “Euro Medium Term Notes” programme

Paris, September 19, 2019. The *Autorité des Marchés Financiers* (AMF) has granted its visa to the first supplement to Veolia Environnement’s base prospectus in relation to the 16 billion euros Euro Medium Term Notes (EMTN) programme on September 17, 2019.

The base prospectus (AMF visa n°19-298 on June 25, 2019) and its first supplement (AMF visa n°19-441 on September 17, 2019) are available on the website of the company at www.veolia.com (“finance” area, section “debt and ratings” under “analysts and investors”), at its head office, from the paying agent (as provided in the base prospectus) and on the website of the AMF at www.amf-france.org.
