About La Française des Jeux (FDJ)

FDJ is the historical and unique lottery operator in France, the #2 in Europe and #4 worldwide. It is also the main sports betting operator in France. FDJ offers a range of around 85 enjoyable, responsible games to the general public, both at points of sale and online: lottery games – draw games (Loto, Euromillions, ...) and instant games (Millionnaire, Cash, jeux Mission Patrimoine, Astro, Vegas, ...) – and sports betting (Parions Sport). FDJ's performances are driven by its portfolio of iconic brands, the largest proximity network in France, a growing market, investments, and a strategic innovation drive enhancing the appeal of its offer and distribution network. In 2018, with 25 million players and over 30,000 points of sale, FDJ collected €15.8 billion in stakes, contributed €3.5 billion to public finances and paid commissions of €785 million to its offline distribution network.

FDJ is listed on the regulated market of Euronext in Paris (Compartment A - FDJ.PA)
