Press Release 24 January 2020

Lysogene announces its corporate agenda for 2020

LYSOGENF

Reminder of the other communications expected in the 1st Half of 2020

PARIS (France), 24 January 2020 – Lysogene (FR0013233475 – LYS) today announced its corporate agenda* for 2020:

17 February 2020:	Sales and cash position at the end of 2019
20 March 2020:	2019 annual results
22 April 2020:	First quarter 2020 sales and cash position
June 2020 (day to be confirmed later):	General shareholders' meeting
24 July 2020:	Sales and cash position for the first half 2020
25 September 2020:	First half 2020 results
19 November 2020:	First nine months 2020 sales and cash position

* This financial calendar is for indicative purposes only and the Group could change its publication dates should it deem it necessary

The company also confirms that it expects to communicate in the first half of 2020 the following elements:

- Completion of enrollment of the 20 patients in the phase II/III clinical trial (AAVance) evaluating the gene therapy LYS-SAF302 for the treatment of MPS IIIA (Sanfilippo syndrome type A)
- IND (Investigational New Drug) clearance, prerequisite for starting the first-in-human clinical trial of LYS-GM101 in GM1 gangliosidosis

About Lysogene

Lysogene is a gene therapy company focused on the treatment of orphan diseases of the central nervous system (CNS). The company has built a unique capability to enable a safe and effective delivery of gene therapies to the CNS to treat lysosomal diseases and other genetic disorders of the CNS. A pivotal clinical trial in MPS IIIA in partnership with Sarepta Therapeutics, Inc. is ongoing and a phase 1-2 clinical trial in GM1 Gangliosidosis is in preparation. In accordance with the agreements signed between Lysogene and Sarepta Therapeutics, Inc., Sarepta Therapeutics, Inc. will hold exclusive commercial rights to LYS-SAF302 in the United States and markets outside Europe; and Lysogene will maintain commercial exclusivity of LYS-SAF302 in Europe. Lysogene is also collaborating with an academic partner to define the strategy of development for the treatment of Fragile X syndrome, a genetic disease related to autism. www.lysogene.com.

Forward Looking Statement

This press release may contain certain forward-looking statements, especially on the Company's progress of its phase 2-3 clinical trial and cash runway. Although the Company believes its expectations are based on reasonable assumptions, all statements other than statements of historical fact included in this press release about future events are subject to (i) change without notice, (ii) factors beyond the Company's control, (iii) clinical trial results, (iv) increased manufacturing costs and (v) potential claims on its products. These statements may include, without limitation, any statements preceded by, followed by or including words such as "target," "believe," "expect," "aim," "intend," "may," "anticipate," "estimate," "plan," "objective", "project," "will," "can have," "likely," "should," "would," "could" and other words and terms of similar meaning or the negative thereof. Forward-looking statements are subject to inherent risks and uncertainties beyond the Company's control that could cause the Company's actual results, performance or achievements to be materially different from the expected results, performance or achievements expressed or implied by such forward-looking statements. A further list and description of these risks, uncertainties and other risks can be found in the Company's regulatory filings with the French Autorité des Marchés Financiers, including in the 2018 registration document (Document de référence), registered with the French Markets Authorities on April 29, 2019, under number R. 19-016, and future filings and reports by the Company. Furthermore, these forward-looking statements are only as of the date of this press release. Readers are cautioned not to place undue reliance on these forward-looking statements. Except as required by law, the Company assumes no obligation to update these forward-looking statements publicly, or to update the reasons actual results could differ materially from those anticipated in the forward-looking statements, even if new information becomes available in the future. If the Company updates one or more forward-looking statements, no inference should be drawn that it will or will not make additional updates with respect to those or other forward-looking statements.

This press release has been prepared in both French and English. In the event of any differences between the two texts, the French language version shall supersede.
