

Press Release

ESG Factors: Total once again selected in 2020 in the Dow Jones Sustainability Indices

Paris, 30 November 2020 – S&P Dow Jones Indices has announced, on 13 November 2020, the [2020 results for the Dow Jones Sustainability Indices](#) (DJSI) which assess companies on ESG (Environment – Social - Governance) criteria.

Total was once again selected as a member of the DJSI World and DJSI Europe indices:

- Total has continuously been a member of the DJSI World index since 2004 (hence for the 17th consecutive year now). In 2020, in the Oil & Gas Upstream & Integrated sector, only 7 companies out of an initial universe of 59 companies have been selected. Total is the only major in this index.
- Total has been continuously included in the regional DJSI Europe index since 2005 (except in 2015). In 2020, in the Oil & Gas Upstream & Integrated sector, only 2 companies out of an initial universe of 10 companies have been selected.

These indices and further details are available on the dedicated S&P Global website: www.spglobal.com/esg/csa

About Total

Total is a broad energy company that produces and markets fuels, natural gas and electricity. Our 100,000 employees are committed to better energy that is more affordable, more reliable, cleaner and accessible to as many people as possible. Active in more than 130 countries, our ambition is to become the responsible energy major.
