

## Precision on the press release dated March 19, 2021

**Paris, France, March 25, 2021 (7:30 a.m. CET)** – Advicenne (Euronext: ADVIC) (the “**Company**”), a specialty pharmaceutical company focused on the development and commercialization of therapeutic products for rare kidney disease, wishes to clarify today the content of its press release issued on March 19, 2021 concerning the communication that “it anticipates imminent European Marketing Authorization for its lead product ADV7103 (Sibnaya<sup>™</sup>)” for dRTA in Europe.

The reference to an “imminent” authorization means that the Company expects such approval to occur shortly, and no later than the end of the second quarter of 2021.

Except for the above, the French and English versions of the press release dated March 19, 2021 remain unchanged.

### **About Advicenne**

Advicenne (Euronext: ADVIC) is a pharmaceutical company founded in 2007, specializing in the development of innovative treatments in Nephrology. Its lead drug candidate is currently in late-stage clinical trials for two kidney diseases: the renal tubular acidosis and cystinuria. ADV7103 has recently received a positive CHMP opinion for the treatment of dRTA.

This is the second time Advicenne has obtained a marketing authorization for an innovative pediatric specialty it has fully developed: OZALIN, a formulation of midazolam for conscious sedation in children was registered in 2018 and is currently marketed in Europe by Primex.

Headquartered in Paris, Advicenne has been listed on the Euronext Paris stock exchange since 2017 and was cross-listed on the Euronext Brussels stock exchange in 2019.
